FIRST AID.

During the warm weather, attacks
 of diarrhoea are very frequent and
 often are so swift in their results
 that life is in danger before a physi-
 cian can be summoned. Every man
 who has the interests of his family at
 heart should keep a reliable remedy
 in his home for immediate use in cases
 of this kind. Chamberlain's Colic,
 Cholera and Diarrhoea Remedy is,
 without doubt the best remedy pre-
 pared for diarrhoea. It should be given
 if possible, at the first unusual
 looseness of the bowels. For sale by
 all dealers, Benson, Smith & Co.,
 agents for Hawaii.

NEW RICE MILL.

The K. Yamamoto Rice Mill is the
 largest as well as the finest in the
 islands. All machinery is of the very
 latest pattern. The famous Tengu
 Rice is cleaned at this mill. With the
 large cleaning capacity they are able
 to handle considerable outside parti-
 cular work which they guarantee.

Sacred Relics of the Mosque of Omar Missing

JERUSALEM (Palestine), May 3.—
 The inhabitants have been aroused
 to the rioting point by operations of
 a party of English archaeologists who
 are accused of excavating beneath
 the inviolate Mosque of Omar and
 removing relics reputed to include
 the ark of the covenant, the censer
 and other sacred vessels which be-
 longed to the tribes of Israel.

Assembly Bey, the Turkish governor,
 was mobbed on the streets for sup-
 posed complicity in the profanation
 and hooted as "a pig." The mosque
 has been closed and is closely
 guarded pending the arrival from
 Constantinople of officials of the gov-
 ernment who will make an investiga-
 tion.

The expedition worked for two
 years on a large scale, beginning at
 the village of Siloam, which lies at
 the southeast end of Jerusalem on
 the southern slope of the Mount of
 Olives, overlooking the valley of
 Kedron and the pool of Siloam. The
 explorers are credited with having
 excavated from the pool of Siloam
 toward the place where once stood
 Solomon's temple, built in 1012 B. C.,
 pillaged and restored and finally de-
 stroyed by Titus A. D. 70.

Failing to reach the relics sought
 in this manner, the explorers, accord-
 ing to the alleged confessions of the
 guards of the mosque, bribed the
 guards, entered the mosque and
 after digging for six nights spirited

away the treasures "the whereabouts
 of which," says an Arabic paper,
 "none knew except God and these
 English."

Mystery surrounds the expedition,
 whose explorations have been of such
 magnitude as to make it evident that
 a large sum of money is invested. It
 is reported that wealthy Englishmen
 and Americans formed a syndicate of
 which the Duchess of Marlborough
 (who was Consuelo Vanderbilt), was
 a member on the strength of the dis-
 covery of the location of the relics
 by Scandinavian investigators.

LEADER BROTHER OF EARL.

LONDON, May 3.—The head of the
 expedition excavating in Jerusalem
 is Captain Montague Brownlow Par-
 ker, brother of the Earl of Morley.
 The syndicate financing the enter-
 prise received letters from Parker
 describing the progress of the exca-
 vations near the pool of Siloam, at
 regular intervals up to a month ago,
 since which time no word has come.
 Before leaving here the explorers
 said they expected to discover among
 the rock tombs honeycombing Mount
 Moriah a manuscript that would set
 at rest the resurrection of Christ.
 The party included Captain Duff, a
 relative of the Duke of Fife; Major
 Foley, one of the Jamison raiders,
 and Captain Wilson, who is related
 to Lady Sarah Wilson.

Neither the foreign office or the
 Turkish embassy has any advices re-

garding the reported trouble with the
 populace of Jerusalem.

ONE SPREE LIMIT.

LITTLE ROCK, Ark., May 5.—The
 House has passed a bill providing for
 the removal from office of any public
 official who becomes intoxicated
 more than once during his term.
 No limit is placed on the duration
 of the first spree, which is to go un-
 punished.

CITY MAUSOLEUM

The ideal system of burial. The method being adopted every-
 where throughout the civilized world. Approved by the Hawaiian
 Board of Health. Plans and specifications approved by Marston Camp-
 bell, Superintendent of Public Works. The change from earth burial
 to the mausoleum plan is urgently demanded by conditions as they exist
 in Honolulu at the present time.
